FOR IMMEDIATE RELEASE

Benevilla is Still Here and We Need Your Help!

West Valley, Arizona – Our homebound seniors need us more than ever right now and Benevilla is still here. We cannot continue without the support of our community and the need for volunteers has become critical.

At this time, Benevilla needs immediate assistance with the following volunteer opportunities:

- **Grocery shopping:** Assist older adults who cannot go to the grocery stores in getting essential everyday items.
- **Assisted transportation to medical appointments:** Provide safe, friendly, transportation for older adults to and from essential appointments.
- **Phone pals:** Contact older adults in our community that might be isolated and provide opportunities for companionship.
- **Emergency errands:** Assist older adults with identified essential errands.

These services can help ease the burden and worries of family members caring for loved ones and ensure older adults with no family support are not left isolated, alone and in need of every day essentials.

“We are strongest when we work together,” says Joanne Thomson, President and CEO of Benevilla. “Now is the time to support those in our community who are vulnerable and need us the most.”

Volunteer applications can be completed at www.Benevilla.org or for more information, call 623-584-4999.

With the most recent recommendations from county and state health officials regarding the COVID-19, our only goal is to protect the health and wellbeing of the community that we serve. We are taking precautions and prescreening all of our current and new Home Services clients and volunteers.
